

# ❖ Fābula dē Prōfessōre Latīnae ❖

Ubi Doctor Illa Flōra erat discipulus iuvenis, linguam Latīnam amābat ♡; Latīnae in altā scholā, collegiō, et scholā graduātā studēbat. Nunc est prōfessor Latīnae in Universitāte Georgiae et multās discipulās discipulōsque in Latīnā MI classe habet; Latīnam amat et amat omnēs hōs studentēs. Est trīstis ☺ quod est fīnis semestrī et studentēs nōn iterum vidēbit; hodiē dīcet, “Valēte et bonam fortūnam habēte, vōs omnēs,” sed hās discipulās discipulōsque in memoriā semper habēbit.☺
